

Dear Delegates,

This is regarding the preparatory work for the Cultural Exhibition segment, which will be held on the first day of the summit in conjunction with the Opening Ceremony,

Cultural Exhibition

The Cultural Exhibition is an essential and exciting component of APYLS that allows each country to showcase their unique culture and traditions.

Below is the list of Objectives of the **Cultural Exhibition**:

1. To promote appreciation and understanding of the diversity of cultures among delegates and students of Hwa Chong Institution (College).
2. To provide a platform for delegates to showcase and share with their fellow delegates what is unique to their country and culture.

General Details

You will be provided with the following materials for the cultural exhibition:

- Display Panel: 1m wide x 2.25m tall
- Table: 2ft x 6ft

The exhibition is to last about 1.5 hours.

As each **country** (not school) will be allocated a booth, some schools would have to collaborate with others from the same country for the exhibition. Do communicate with the delegates from other schools to come up with a unified and well-planned exhibition.

Actions to be taken

One representative from each country is required to send in a Logistics List for their Cultural Exhibition to this email: apyls@hci.edu.sg

Attached is the guidelines for the exhibition and the template for your Logistics List. Please complete it to the best of your abilities and send the completed document to us with the subject title "Cultural Exhibition_ <Country> " by 26 June 2016 (Sunday)

Should you have any queries, please email them to apyls@hci.edu.sg with the subject title "Cultural Exhibition Queries". We would be glad to address them.

Thank you!

Best Regards,

Organising Team
