

Overview

On the night of the Closing Ceremony which will be held on Day 8 of the summit, each participating country will put up a short Cultural Performance. Do coordinate and collaborate with other schools from your country if there are multiple schools representing your country.

The Cultural Performance will allow delegates to gain a better understanding of the art forms and cultures of other countries as well as to appreciate the diversity that delegates bring to the summit.

Performance Details

1. The Cultural Performance prepared by delegates can take the form of music, songs, dances, skits or popular culture that is unique and representative of their country. This list is non-exhaustive.
2. The duration for each Cultural Performance is limited to 4 minutes per country.
